Dear Company Representative,

Our 11th Baltic Sea Conference on Geotechnics in Maritime Engineering has already been announced among many civil engineering societies, as well as at many recent geotechnical engineering conferences. The conference is planned to be an important meeting, mostly between participants from Baltic countries, however, participants from other regions are also warmly welcome.

Historically, the planned 11th Baltic Sea Conference returns to Gdańsk where it was organised for the first time in 1976 by prof. Eugeniusz Dembicki and his co-workers. The decision to organise the Conference by the Department of Geotechnics, Geology and Maritime Engineering under the support of ISSMGE, Polish Committee on Geotechnics and Gdańsk University of Technology is thus very prestigious and important.

The Conference will provide a forum for the sharing of experiences and ideas between geotechnical experts from many important institutes and companies of the world. The scope of this forum will concern generally geoen지니어ing with a special focus on maritime engineering problems. We are sure that the Conference will allow participants to gain crucial information on the current status and future trends in this important branch of civil engineering.

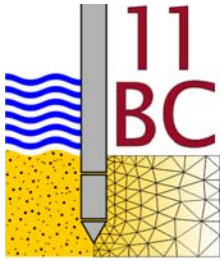

It is for the above reasons that we turn to you as a very important company to financially support the conference which has aroused considerable interest in developed countries around the world.

Sincerely Yours,

prof. Zbigniew Sikora – Chairman of the Organizing Committee

Conference Office:
Gdansk University of Technology
Faculty of Civil and Environmental Engineering
Department of Geotechnics, Geology and Maritime Engineering
G. Narutowicza St. 11/12, 80-952 Gdansk, POLAND

11th Baltic Sea Geotechnical Conference

GEOTECHNICS IN MARITIME ENGINEERING

Gdańsk, Poland

15–18 September 2008

Please find enclosed a suggested ways of supporting the Conference. Alternative arrangements are possible on agreement with the Conference organizers.

- **Strategic sponsor (there will be only one strategic sponsor)**

- Donation 20000 € or more,
- 12m² space at exhibition lobby plus 15m² at the Southern Courtyard of Gdansk University of Technology for company presentation,
- Entitled to five free registrations,
- Printed logo on a separate banner beside the speakers podium,
- Full-page 4-color ad in the Final Program,
- Company name/logo in proceedings,
- Company name/logo on conference bag,
- 2 company-provided promotion items for the conference bag.

- **Gold sponsor**

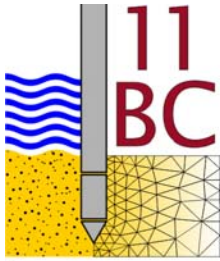

- Donation 10000 € or more,
- 12m² space at exhibition lobby during the conference,
- Entitled to three free registrations,
- Printed logo on a hanging banner beside the speakers podium shared with other Gold Sponsors,
- Half-page 4-color ad in the Final Program,
- Company name/logo in proceedings,
- 1 company-provided promotion item for the conference bag.

- **Silver sponsor**

- Donation 5000 € or more,
- 10m² space for exhibition,
- Entitled to two free registrations,
- Quarter-page 4-color ad in the Final Program,
- Company name/logo in proceedings.

- **Bronze sponsor**

- Donation 2500 € or more,
- 6m² space for exhibition,
- Entitled to one free registration,
- Company name/logo in the Final Program,
- Company name/logo in proceedings.

11th Baltic Sea Geotechnical Conference

GEOTECHNICS IN MARITIME ENGINEERING

Gdańsk, Poland

15–18 September 2008

Additional sponsoring

- **Notepads & Pens Exclusivity – 2,500 € (not including cost of items)**
Your company logo will be printed on the notepads and pens that will be distributed during the conference. Products supplied by sponsor. Your company will be listed as a **bronze sponsor** in the conference program.
- **Badge Lanyards Exclusivity – 2,500 € (not including cost of items)**
Lanyards for the conference badges with your company logo to be distributed to and worn by delegates during the conference. Products supplied by sponsor. Your company will be listed as a **bronze sponsor** in the conference program.
- **Sponsorship of a Dinner Gala – 10,000 € or greater contribution**
A Dinner Gala will be held during the week of the conference for delegates and their partners and guests of the Committee. In the sessions before the gala, we will have a presentation slide to thank your company. There will be signage acknowledging your sponsorship during the gala. Your company will qualify as a **gold sponsor**.
- **Wireless Internet Access Sponsor – 5,000 € or greater contribution**
The WiFi access will be provided for all conference participants. Your company will qualify as a **silver sponsor**.

The conference exhibition will take place in the lobby situated just in front of the University Hall (3rd floor of the Main Building)

The cost of the exhibition floor space is 150 € / m².

The exhibition space is restricted.

The exhibition lobby is divided into boxes of : 4/6/8/9/12 m² floor space.
